

# SmartPark Permit

## Definition & Purpose

SmartPark provides an incentive for faculty, staff and students with a valid GT Campus ID to drive less, by offering flexibility for those who occasionally drive to campus. All faculty, staff, students and visitors are required to pay for parking on campus.

## Rules and Regulations

- SmartPark allows faculty, staff and students who need occasional parking on campus to purchase parking through an automatic debit of \$6 from the GT Campus ID, BuzzCard.
- This program allows parking in one of three campus lots: Tech Square Parking Deck (E81), Visitor Parking Area 3, and North Deck (W23).
- SmartPark is a pay-as-you-go program that costs \$25 to join each year.
- SmartPark participants may cancel their SmartPark parking assignment and apply for an Annual Individual Parking Permit.
- Carpool participants may purchase a SmartPark permit.

## Restrictions

- SmartPark permit holders cannot use an Official Business Permit (OBP).
- If funds are not available on the GTID Debit (BuzzCard), participant must pay full price for the hourly parking as posted.
- PTS has the right to reserve lots/decks for event parking on campus. Parking may be sold in advance or at the gate on a first come basis. Lots that are restricted for an event will be posted at the entrance to the lot and/or on our website at [www.pts.gatech.edu](http://www.pts.gatech.edu)
- PTS has the authority to close a lot for construction, maintenance or safety issues. Permit holders will be notified in advance of lot closures.
- SmartPark Permits are not valid in restricted areas such as: fire lanes, meters, reserved stalls, disabled stalls, loading zones, construction areas, sidewalks, driveways, disabled access aisles, grass areas or lots staffed during special events. Parking with SmartPark Permits in restricted areas will result in a citation.
- All citations and other unpaid fees that are due to GT PTS must be paid prior to applying or accepting an annual permit assignment.
- Overnight parking is not permitted.
