

Temporary Permit

Definition and Purpose

Temporary Permits are for anyone needing temporary parking on campus. Temporary Permits provide flexibility for short-term parking needs of faculty, staff, or visitors to campus.

Rules and Regulations

- Temporary Permits will be sold for a specific location, date and time. They are issued on a space-available basis as determined by GT PTS.
- Temporary Permits are sold at a Daily, Weekend, Monthly or Weekend Rates (see www.pts.gatech.edu)
 1. **Daily Permits** are issued for one day and expire at 7 am the following morning.
 2. **Weekly Permits** are issued for one week and expire at 7 am the morning after the same day the following week.
 3. **Monthly Permits** are issued for one month and expire at 7 am the morning after that same day the following month.
 4. **Weekend Permits** are sold to students and/or visitors who desire parking for the weekend. The permit will begin on Friday and expires Monday morning at 7 am.

Restrictions

- Temporary Permits must be paid for prior to being issued.
- Weekend Permits are restricted to non-gated E and W lots only.
- Temporary permits are not refundable.
