

MARTA Monthly Pass

Definition and Purpose / Program Overview

Parking and Transportation Services (PTS) sells discounted monthly non-refundable MARTA passes to students, faculty, staff and affiliates. The passes are valid for unlimited trips on MARTA trains, buses and streetcar for the calendar month (beginning the 1st calendar day of the month to the last day of the month). Passes are sold the last five business days of each calendar month through the second Friday of each month.

Monthly pass prices are equal to the discounted amount MARTA charges the Institute under the discounted university “UPass” program. Additionally, PTS/ Institute may offer additional MARTA pass discounts to further reduce the cost of the monthly pass. Rates are reviewed and set annually, and are posted on the PTS website at <http://pts.gatech.edu/metro-transit>.

Rules and Regulations for the MARTA PASS

- Sales for the MARTA passes are limited to Georgia Tech (GT) students, faculty, staff and affiliates only. (*Faculty/Staff may also sign up for payroll deducted MARTA cards; however this process is not managed within the guidelines of the monthly pass program*).
- PTS determines eligibility based on the individual’s classification as listed on their BuzzCard, as well as classification data directly provided by the Institute.
- Students, faculty, staff and affiliates must visit the PTS office in person and present their GT BuzzCard to validate their eligibility to purchase a pass.
- The passes may be purchased with a credit card or Buzz funds only.

Restrictions

- PTS does not sell monthly MARTA passes for general use (to include non-affiliates, vendors or contractors).
- Individuals are not permitted to purchase multiple transit passes for the same month. Pass sales are limited to one (1) pass per eligible person, per month.
- Vendors, contractors and non-affiliates are not eligible for the monthly MARTA passes.
- All monthly MARTA card sales are final.
- Lost or stolen passes will not be replaced.
- MARTA passes may not be returned unless defective, in which case the customer is required to surrender the defective pass to PTS customer service to receive a replacement pass.
- MARTA passes for faculty, staff and affiliates have a different price point than students. Therefore, an employee (faculty/staff) and affiliate may not purchase a student pass.
- Employees, enrolled as students, will be required to purchase the MARTA pass designated for employees. The student pass is not available to employees.
- The monthly MARTA cards are not valid for use on any other transit service, to include Xpress, CobbLinc and Gwinnett County Transit.
