

PTS Bicycle Helmet sales

Definition and Purpose

Parking and Transportation Services (PTS) encourages students, faculty, and staff to travel to, from, and within campus by some form of alternative transportation, including bicycles, to reduce traffic congestion, limit the need for automobile parking, and preserve the environment.

Helmet use is strongly encouraged for all persons cycling on and to/from campus. PTS offers helmets at a reasonable price to the GT community in order to improve the safety of cycling on campus.

Rules and Regulations

- Helmets may be purchased by GT faculty, staff or students.
- Payment options are cash, credit, debit, check or BuzzFunds.
- Helmets are available in medium and large sizes. Medium fits head circumference (measured one inch above eyebrow) of roughly 21 to 23 inches, or 54 to 58 centimeters.
